

Dear Jim and Wof F  
and Jeff,

1.13.23

I just wanted to thank you  
for your recent kindness  
to myself and the mission,  
helping us replace the  
computer that broke down.  
(after 20 years of good  
service!) This is what  
I have used for newsletters,  
writing articles and more!

I want to thank Nat Miller  
for his donation and his  
good ministry! Praise God!

Here's hoping you all have  
a wonderful and prosperous  
New Year!

In Christ,

Pastor Wayne Stephens  
F.O.L.W. / Cibecue, AZ.
