SUBJECT: School Backpacks and School Supplies

Thoreau Navajo Outreach would like to thank you for the school backpacks and school supplies. I can provide photographs at your request. Please forward a contact person and email address where photos can be sent.

I am attaching just one of many requests that our office has received in regards to the back packs and school supplies. It is a list of children's names that were submitted from one of the rural community schools near Thoreau. The list identifies children of various ages and grades. Most of the children listed come from impoverished homes and will greatly benefit from the donations.

Thoreau Navajo Outreach has connected with various non-profit programs and small rural schools for about five years now and has supported these small programs to help various families in need. This year our organization brought out our first Native American VBS from Falls Creek Oklahoma to the community of Thoreau. With the donations received from WOF we have been able to introduce a number of children to our Heavenly Father. God is doing great things in our community through your generous donations. We have photographs available. We would love to forward the photos to a specific contact person from WOF.

For more information please feel free to contact me at tno\_31Frst@yahoo.com or P.O. Box 547, Thoreau, NM 87323. We can also receive fax at (505) 862-7635. Thank you again and may God continue to bless you richly.

Respectfully,

Felma Joe
