

Thank you so much for the amazing support of Gods ministry!
We are so grateful and blessed that you support our family!

I am on the way to Haiti in our turboprop DC3-T. I have 5000lbs of Gods Cargo and fifteen missionaries on board. They will be working with children at Many Hands for Haiti, one of the ministries that we fly for in Pignon Haiti.

Your support helps make it possible for us to serve at MFI and advance the Gospel to the unreached.
